

**SETTLEMENT AGREEMENT BETWEEN STATE BOARD OF EMBALMERS AND
FUNERAL DIRECTORS AND RONALD L. JONES FUNERAL CHAPELS - NORTH,
INC. D/B/A RONALD L. JONES FUNERAL CHAPELS**
(Establishment License)

The State Board of Embalmers and Funeral Directors (the "Board") and Ronald L. Jones Funeral Chapels - North, Inc. d/b/a Ronald L. Jones Funeral Chapels ("Licensee" or "Ronald L. Jones Funeral") enter into this "Settlement Agreement Between State Board of Embalmers and Funeral Directors and Ronald L. Jones Funeral Chapels - North, Inc. d/b/a Ronald L. Jones Funeral Chapels" (the "Settlement Agreement") to resolve the question of whether Ronald L. Jones Funeral's establishment license should be subject to discipline and, if so, to agree on the appropriate level of discipline to impose on this license.

Pursuant to the terms of Section 536.060 RSMo¹, the parties hereto waive the right to a hearing by the Administrative Hearing Commission and the right to a disciplinary hearing before the Board per Section 621.110, RSMo, and stipulate and agree to final disposition of this matter by this Settlement Agreement.

Licensee acknowledges that it understands the various rights and privileges afforded to it by law, including the right to a hearing of the charges against it; the right to appear and be represented by legal counsel; the right to have all charges against it proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against it; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against it and, subsequently, the right to a hearing before the Board at which time it may present evidence in mitigation of discipline; and the right to potentially recover attorney's fees incurred in defending this action against its license.

¹ All statutory references are to the Revised Statutes of Missouri (2000), as supplemented, unless otherwise indicated. Provisions to portions of Chapter 436, RSMo, that were repealed in 2009 are designated also as "Old Law."

Being aware of these rights provided it by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this Settlement Agreement and agrees to abide by the terms of this document, as they pertain to it.

Licensee acknowledges that it has received a copy of the investigative report and other documents relied upon by the Board in determining there is cause for discipline, along with citations to law and/or regulations the Board believes were violated and that it has been advised of its right to consult with private legal counsel, at its expense, to assist it with this matter. For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this Settlement Agreement are true and stipulates with the Board that Licensee's license is subject to disciplinary action by the Board in accordance with the provisions of Chapters 324, 333 and 621, RSMo.

Relevant Statutes and Regulations

1. Section 333.061, RSMo, requires an establishment license and states, in relevant part:

1. No funeral establishment shall be operated in this state unless the owner or operator thereof has a license issued by the board.

2. A license for the operation of a funeral establishment shall be issued by the board, if the board finds:

(1) That the establishment is under the general management and the supervision of a duly licensed funeral director;

(2) That all embalming performed therein is performed by or under the direct supervision of a duly licensed embalmer;

(3) That any place in the funeral establishment where embalming is conducted contains a preparation room with a sanitary floor, walls and ceiling, and adequate sanitary drainage and disposal facilities including

running water, and complies with the sanitary standard prescribed by the department of health and senior services for the prevention of the spread of contagious, infectious or communicable diseases;

(4) Each funeral establishment shall have a register book or log which shall be available at all times for the board's inspector and that shall contain:

(a) The name of each body that has been in the establishment;

(b) The date the body arrived at the establishment;

(c) If applicable, the place of embalming, if known; and

(d) If the body was embalmed at the establishment, the date and time that the embalming took place, and the name, signature, and license number of the embalmer; and

(5) The establishment complies with all applicable state, county or municipal zoning ordinances and regulations.

3. The board shall grant or deny each application for a license pursuant to this section within thirty days after it is filed. The applicant may request in writing up to two thirty-day extensions of the application, provided the request for an extension is received by the board prior to the expiration of the thirty-day application or extension period.

4. Licenses shall be issued pursuant to this section upon application and the payment of a funeral establishment fee and shall be renewed at the end of the licensing period on the establishment's renewal date.

5. The board may refuse to renew or may suspend or revoke any license issued pursuant to this section if it finds, after hearing, that the funeral establishment does not meet any of the requirements set forth in this section as conditions for the issuance of a license, or for the violation by the owner of the funeral establishment of any of the provisions of section 333.121*. No new license shall be issued to the owner of a funeral establishment or to any corporation controlled by such owner for three years after the revocation of the license of the owner or of a corporation controlled by the owner. Before any action is taken pursuant to this subsection the procedure for notice and hearing as prescribed by section 333.121* shall be followed

2. Section 333.071, RSMo, restricts the practice of funeral directing or embalming to only licensed funeral establishments and states:

The business or profession of an individual licensed to practice embalming or funeral directing shall be conducted and engaged in at a funeral establishment. This section does not prevent a licensed funeral director owning or employed by a licensed funeral establishment from conducting an individual funeral from another and different funeral establishment or at a church, a residence, public hall, or lodge room.

3. Rule 20 CSR 2120-2.070 sets forth requirements for funeral establishment licenses and states, in relevant portion:

(10) The professional business and practice of funeral directing shall be conducted only from a fixed place or establishment that has been licensed by the board except as permitted by section 333.071, RSMo. The Missouri licensed funeral establishment physical facility shall be under the general management and supervision of the Missouri licensed funeral director-in-charge. Every Missouri licensed funeral establishment shall provide and allow access to any member or duly authorized agent of the board for the purpose of inspection as provided by sections 333.061 and 333.101, RSMo. If any representative of the Missouri licensed funeral establishment fails or refuses to provide or allow access, it shall be considered a violation of this rule by the Missouri licensed funeral establishment and by the Missouri licensed funeral director-in-charge of the Missouri licensed funeral establishment. Additionally, if the Missouri licensed funeral establishment representative who fails or refuses to provide or allow access holds any license or registration issued by this board, that person shall be in violation of this rule.

Advertisements that do not comply with this section shall be deemed misleading for the purposes of section 333.121, RSMo.

(B) It shall not be deemed to be misleading if a listing appears in a telephone directory or national directory if the name of the Missouri

licensed funeral establishment changes after the listing has been placed, but before a new directory is published.

22. Upon the expiration of the Disciplinary Period and successful completion of the Disciplinary Period, Licensee's license shall be fully restored if all other requirements of the law have been satisfied; provided however, that in the event the Board determines that Licensee has violated any term or condition of this Settlement Agreement, the Board may, in its discretion, after an evidentiary hearing, vacate and set aside the discipline imposed herein and may impose additional probation, suspend, revoke, or otherwise lawfully discipline Licensee's license.
